Soft Skills

- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

Tech Skills

- Java
- Bootstrap
- CSS
- Express.js
- Front-end
- Github
- MongoDB
- MySQL
- node.js
- Python.

Language

English

Tamil

👤 Profile

I'm an enthusiastic and passionate web developer with experience in creating dynamic, user-friendly websites and applications. I am eager to collaborate on challenging web development projects to enhance my skills while contributing to innovative digital solutions.

🎓 Education

Nadar Saraswathi College Of Engineering And Technology
Bachelor of Information Technology
GPA : 7.03% (2022-2026)

Nadar Saraswathi Girls Higher Secondary School
HSC: 73% (2021-2022)
SSLC: 65% (2019-2020)

📖 Projects

Predictive Maintenance

Tech Stack : Python with data analysis libraries Pandas and Scikit-learn

- Developed a solution for predictive maintenance using Python to identify software equipment issues.

Cloud-Based File Storage

Tech Stack : Python (Flask/Django) with secure cloud storage AWS

- Cloud-Based File Storage focuses on creating a secure, scalable, and user friendly system for storing and managing files online. It likely leverages Python for backend development, emphasizing secure file handling through encryption

To-Do List App

Teck stack : HTML, CSS, node.jsand JavaScript

- To-Do List App is a project showcasing a simple, user-friendly task organizer built with CSS and JavaScript. The app likely includes features such as adding, editing, and deleting tasks.

⚡ Strength

Technical Skills and Experienced in front-end development and proficient in various programming languages .

Personal Details

Father's Name : Pavalathrowvathan J
Date Of Birth : 23.05.2004
Blood group : O+ve
Nationality : Indian
Religion : Hindu

Certificates & Activities

- Data Analytic Python Job Simulatation Accenture (Forage)
- Basic of Python (Infosys Springboard).
- Developed Voice Assistant using Python.
- Participated Two days Training on Recent tools and technology
- Passed Hacker Rank skill certification Test (Java Basics)

Acheivements & Hackathon

- Participated in a 36-hour hackathon at NSCET, collaborating with a dynamic team to develop innovative solutions under time constraints and enhancing problem-solving skills.
- Participated in Symposium in Techutsav 2024 at Thiyagaraja College of Engineering helps to share knowledge, gain insights, and network with experts.
